Bear Colouring Pages

Round ears, big paws · Ages 4-8

The second six: the shaggy sloth bear, a spectacled bear with its markings, a bear asleep in its den, a cub halfway up a climbing tree, a cuddly teddy and a cub with its honey pot — **the honey pot is the treat at the end.**

Adult: the sloth bear page is the last one of the week — the shaggy fur takes one colour each, and the paws are a full sitting on their own. Stay in the room while the crayon box is out — an adult, close enough to act.
