Car Printable Coloring Pages

Vehicle pack · Ages 2-6

Eight vehicles, two per band. The routine: name the vehicle first, then color the wheels, the body, the windows, the background — **one vehicle per sitting.**

The moves, every sitting

- [ ] Name the vehicle
- [ ] Wheels first
- [ ] Body second
- [ ] Background last

Adult: tape the page corners down so it stops sliding, and stay in the room while the crayon box is out. One vehicle per sitting — the page goes on the stack finished or not.

The cut-out frame

Every vehicle sits inside a dashed frame. Color first, then cut along the dashes, and the squares line up as a garage row on the wall.

Ages 2-3 color and an adult does the cutting; ages 4-6 cut with blunt child scissors while an adult stays in the room.

Adult: the scissors stay with an adult for the youngest band, and an adult stays in the room while the crayon box is out.
