Our Week of Jobs

Ages 2-6 · one page, one week

Seven days down the page, three slots across it. **Write the date, then one job per slot** — morning, afternoon, evening — and tick the box when the job is done. Ages 2-3 fill the morning row only; ages 4-6 fill all three. The jobs come from the bank on sheet two.

Tape the page where the shortest reader can reach it. One pen ties to the wall beside it, and the tick goes in as the job ends, not at bedtime.

The three-step fill

- ☐ Date at the top
- ☐ One job per open slot
- ☐ Read the week out loud

Adult: a slot that touches the kettle, the tap, the washing machine or a knife is an adult slot. For anything with a hazard in it — scissors, heat, water, small parts — the same rule applies: an adult, close enough to act.

The Job Bank

Ages 2-6 · swaps for the week

The page behind the planner. Copy a job into a slot, then leave the bank on the fridge. **Two weeks on the same jobs before any swap** — one swap at a time, and the new job goes into the same slot the old one left.
