Our Week of Jobs

Ages 2-6 · 7 days · 2 slots

Seven days down the page, two slots across it. **Write the date, then one job in the morning slot and one in the afternoon slot** — fourteen slots for the week. Ages 2-3 fill the morning slot only; ages 4-6 fill both. The jobs come from the bank on sheet two.

Tape the page where the shortest reader can reach it. One pen ties to the wall beside it, and the tick goes in as the job ends, not at bedtime.

The three-step fill

- ☐ Date at the top
- ☐ Morning job, afternoon job
- ☐ Read the day out loud

Adult: a slot that touches the tap, the washing machine or a knife is an adult slot. For anything with a hazard in it — scissors, heat, water, small parts — the same rule applies: an adult, close enough to act.

The Job Bank

Ages 2-6 · picture jobs and step jobs

The page behind the timetable. Copy a job into a slot, then leave the bank on the fridge. **Two weeks on the same jobs before any swap** — one swap at a time, and the new job goes into the same slot the old one left.
