Coloring Pages

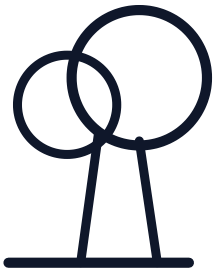

Four big outlines with the most open space. The routine: pick three crayons, color the big shape first, details second, background last — **one subject per sitting.**

FISH

The three-crayon moves, every sitting

- [ ] Pick three crayons
- [ ] Big shape first
- [ ] Details second
- [ ] Background last

Adult: tape the page corners down so it stops sliding, and stay in the room while the crayon box is out. One subject per sitting — the page goes on the stack finished or not.

MUSHROOM

SUN

The moves for more to fill

- [ ] Band the snail shell
- [ ] Stripe the umbrella
- [ ] Dot the mushroom cap
- [ ] Rays around the sun

Adult: pick the two colors before the crayon box opens, and stay in the room while the box is out. A sitting ends when one subject is done — stack the page, keep the rest for tomorrow.
