Coloring Sheets to Print

Everyday pack · Ages 2-6

Eight things a child already knows by name, two per band. The routine: pick two crayons, color the biggest part first, details second, background last — **one shape per sitting.**

BALL

APPLE

BOAT

CUP

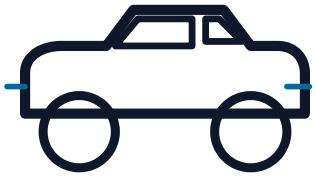

The two-crayon moves, every sitting

- [ ] Pick two crayons
- [ ] Biggest part first
- [ ] Say the shape name
- [ ] Background last

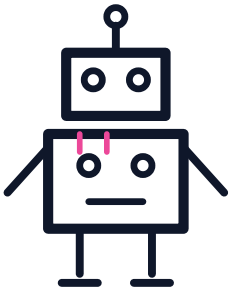

Adult: tape the page corners down so it stops sliding, and stay in the room while the crayon box is out — an adult, close enough to act. One shape per sitting; the page goes on the stack finished or not.

Coloring Sheets to Print

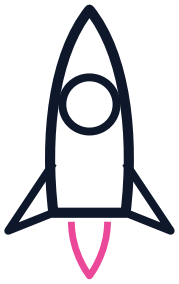

More to fill, same everyday things. Ages 4-6 swap the second crayon after the first pass — **wheels, buttons, fins, smoke.**

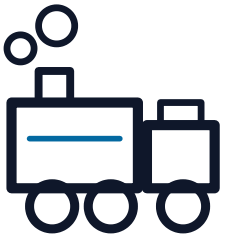

CAR

ROBOT

ROCKET

TRAIN

Color it, then find its twin

A finished shape has somewhere to go: the fridge door. Color the car at the table, then park the toy cars on the floor in the same colors.

Ages 2-3 point while you name the shape; ages 4-6 find the real thing in the room and carry it to the table themselves.

Adult: stay in the room while the crayon box is out — an adult, close enough to act. One shape per sitting; the page goes on the stack finished or not.
