AGES 3-7

Every picture here starts with a shape you already own. The rocket is a triangle on a rectangle; the flower is circles around a circle; the cat is a circle with two triangle ears. Draw them big with a thick marker, one picture per half-sheet.

Ages 3-5 take the four big shapes (rocket, dinosaur, farm, turtle); ages 6-7 take the four with more to fill (flower, cat, frog, football).

Adult: one panel per sitting, then the crayons go back in the box and the page goes on the stack, finished or not. Eight panels across a week is eight separate rounds, not one assignment.
