Dinosaur Coloring Sheets

Simple pack · Ages 2-6

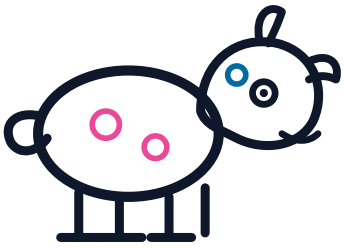

Eight dinosaurs, two sheets. The routine: pick two crayons, color the biggest dinosaur first, details second, background last — **one dinosaur per sitting.** Every outline is rounded and friendly, with no teeth in it.

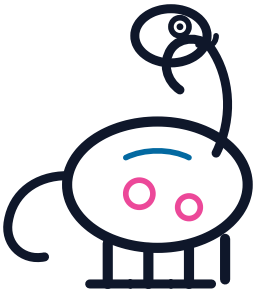

T-REX

STEGOSAURUS

TRICERATOPS

BRONTOSAURUS

The two-crayon moves, every sitting

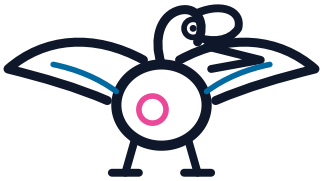

- [ ] Pick two crayons
- [ ] Biggest dinosaur first
- [ ] Say the dinosaur name
- [ ] Background last

Adult: tape the page corners down so it stops sliding, and stay in the room while the crayon box is out — an adult, close enough to act. One dinosaur per sitting; the page goes on the stack finished or not.

Dinosaur Coloring Sheets

Detail pack · Ages 4-6

More to fill, same friendly shapes. Ages 4-6 swap the second crayon after the first pass — **wings, armour, a sail, a long tail.**

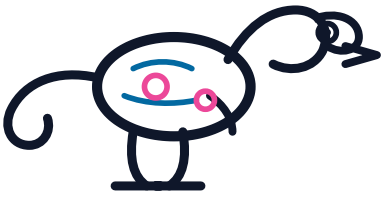

PTERODACTYL

ANKYLOSAURUS

SPINOSAURUS

VELOCIRAPTOR

Name it, then roar it

A finished dinosaur page has somewhere to go: the fridge door, the side of a toy bin, the wall above the desk. Color the T-rex at the table, then line up the toy dinosaurs in the same order on the floor.

Ages 2-3 point while you name the dinosaur; ages 4-6 name it themselves and pick the crayon that matches the picture on the sheet.

Adult: stay in the room while the crayon box is out — an adult, close enough to act. One dinosaur per sitting; the page goes on the stack finished or not.
