Adult: tape the page corners down so it stops sliding, and stay in the room while the crayon box is out — an adult, close enough to act. One picture per sitting; the page goes on the stack finished or not.

More to fill, same match day. Ages 4-6 swap the second crayon after the first pass — **net lines, a handle, a cord, a zip.**

TROPHY

KIT BAG

Color it, then play the match

A finished picture has somewhere to go: the fridge door. Color the goal at the table, then build the same goal from two cushions and a paper ball and run the first kick in the hall.

Ages 2-3 point while you name the picture; ages 4-6 say where each thing belongs — the whistle round a neck, the flag at the corner.

Adult: stay in the room while the crayon box is out — an adult, close enough to act. One picture per sitting; the page goes on the stack finished or not.
