The picture-and-word round

Choose one picture and say its name: bee, banana, boat or bear. Ask which crayon to use, then color together or take turns naming details.

Ages 4-6 can pair a picture with uppercase B or lowercase b. For Ages 2-3, keep one picture on the table and name it as you go.

Adult: stay close while the coloring supplies are out, and put them away between sittings. One picture at a time is plenty.
