Princess Coloring Sheets

Royal pack · Ages 2-6

Eight royal pictures, two per band. The routine: pick two crayons, color the biggest shape first, details second, background last — **one shape per sitting.**

CROWN

WAND

CARRIAGE

CAKE

The two-crayon moves, every sitting

- [ ] Pick two crayons
- [ ] Biggest shape first
- [ ] Name the shape
- [ ] Background last

Adult: tape the page corners down so it stops sliding, and stay in the room while the crayon box is out — an adult, close enough to act. One shape per sitting; the page goes on the stack finished or not.

Princess Coloring Sheets

Detail pack · Ages 2-6

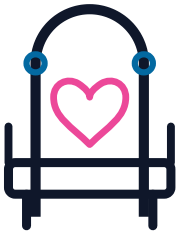

More to fill, same court. Ages 4-6 swap the second crayon after the first pass — **flags, banner, scales, a window.**

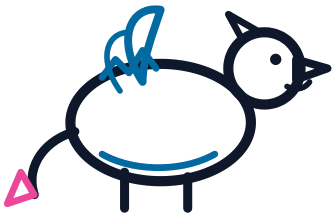

CASTLE

TOWER

THRONE

DRAGON

Color it, then build the court

A finished page has somewhere to go: the fridge door. Color the castle at the table, then stack the blocks into a tower beside it.

Ages 2-3 point while you name the shape; ages 4-6 pick the crayon that matches and add one line of story to each page.

Adult: stay in the room while the crayon box is out — an adult, close enough to act. One shape per sitting; the page goes on the stack finished or not.
